The Mission and Vision Statements: IWC, a San Antonio area based coalition of faith communities, organizations, and individuals, works collaboratively to welcome to our community displaced people from human-caused and natural disasters. We focus on refugees and asylum seekers, particularly women and Children, and walk alongside them in their journey.

We value the basic human dignity of all people

We value listening to and sharing the stories of the people we serve

We value seeking justice and fairness on behalf of those in need
