

Associated Press

On either side of the river is the tree of life . . . and the leaves of the tree are for the healing of the nations. (Rev. 22:2)

Regions throughout the United States continue to suffer from severe and unprecedented flooding that has caused loss of life and severe damage to homes and property.

Presbyterian Disaster Assistance (PDA) is joining with all mid councils impacted by flooding to bring God's hope and healing to all affected by flooding. Gifts from One Great Hour of Sharing are helping Presbyterian congregations provide emergency provisions like water, food and other supplies to neighbors in need. PDA National Response Team members are helping with assessments, connecting with long-term recovery groups, identifying volunteer work team opportunities and serving as a present witness of the larger church during this difficult time.

Your help is needed to assist families as they recover, rebuild and restore their lives. Your faithful giving enables PDA to be the hands and feet of Jesus, to respond with compassion to flood-affected families and to walk alongside disaster survivors on the long road to recovery. **Thank you!**

Yes, I want to help!
