

## HELPING CHURCHES RECOVER

The **Presbyterian Publishing Corporation (PPC)** works with **Presbyterian Disaster Assistance (PDA)** to offer free replacement resources for those congregations that have experienced property damage and loss.

**PPC offers each grant recipient a \$1,500 credit toward the following:**

- Westminster John Knox Press books
- Geneva Press books
- These Days subscriptions
- Thoughtful Christian download subscriptions

Books by WJK and Geneva Press can be found on [www.pcusastore.com](http://www.pcusastore.com). The credit includes the *Glory to God* hymnals and ancillary hymnal products but excludes curriculum. The credit refers to list prices, not discounted prices. Place your order through Vice President and Chief Operations Officer, Monty Anderson, at [manderson@presbypub.com](mailto:manderson@presbypub.com) or 502-569-5067. Please let him know if you have any questions about the program.

*Blessings as you recover.*
