

Litany from Psalm 28

- ONE: To you, O God, we call; our rock do not refuse to hear us.
- ALL: Our world has been shaken to its foundation and we feel our cries unheard in the chaos.**
- ONE: For if you are silent to us, we will be like those who went down to the pit.
- ALL: We need your comfort and saving presence. Teach us that we are not alone.**
- ONE: Hear the voice of our supplications as we cry out to you for help.
- ALL: You hear every cry of your children and feel the drop of every tear.**
- ONE: We lift up our hands to your most holy sanctuary.
- ALL: You take our hand and hold us. Your love will never let us go.**
- ONE: Blessed be God, who has heard the sound of our pleadings.
- ALL: Your strength gives power to our voice. We are forgiven and healed.**
- ONE: God is our strength and our shield.
- ALL: Our heart trusts in you and lives.**
- ONE: God is the strength of God's people.
- ALL: You are our saving refuge. Grant us peace.**
- ONE: God saves God's people and blesses God's heritage.
- ALL: Be our shepherd, and carry each lost sheep home.**
