Pick **3** for refugees

Welcoming Refugees Through Ecumenical Partnership

Churches are asked to consider helping with **AT LEAST THREE** of the following types of welcoming activities to “sponsor” a refugee family. It’s YOUR CHOICE HOW to engage—but CHURCHES ARE NEEDED AROUND THE U.S. to help resettle refugees assigned to PC(USA) for sponsorship!

Set up an apartment for a new refugee or family,

Provide a contribution for rent,

Gather furniture and household items,

Stock the pantry with culturally appropriate groceries,

Meet refugee/s at the airport,

Provide a welcoming meal,

Accompany the refugee/s to a medical appointment,

Teach basic English or financial literacy

Assist refugees to prepare for a job

Offer transportation assistance,

Creatively “tour” the refugees around your neighborhood.
