

STAND WITH SOUTH SUDAN

A woman carries her tarp early in the morning in a camp for over 5,000 internally displaced people in Wau, South Sudan. Most of the people in this camp have no shelter and use a tarp or mats to lie on the ground at night.

Nationwide famine and widespread violence with ethnic targeting in the world's youngest country is resulting in the quiet death of South Sudan, and we are seeing it covered in very few news stories. **We must act now.** Six million of our South Sudanese brothers and sisters are struggling to find food and clean water, and 4 million have been displaced.

Presbyterian Disaster Assistance is funding large-scale emergency relief projects for South Sudanese displaced people and refugees, as well as working to support livelihood, food security and peacebuilding. The ministries supported by the Peace & Global Witness Offering are providing ongoing advocacy and aid to those working for peace.

The needs for the response are great. God's people are once again called on to stand in the "GAP" — Give. Act. Pray.

That the people of South Sudan will experience reconciliation and have courage to participate in peacebuilding. That violence will cease, allowing survivors to return to their homes, their fields and their livelihoods.
